Early earthworks

December 2019 - January 2020

Work for Western Sydney International, Badgerys Creek

Dear neighbour,

As part of the Early Earthworks for Western Sydney International, works are continuing for the construction of the new, realigned section of Badgerys Creek Road between Elizabeth Drive and Longleys Road, as well as the completion of cut and fill works, totaling around 1.8 million cubic metres of earth.

This work includes:

- construction of a new roundabout and civil works on Elizabeth Drive
- asphaltting and installation of concrete pavements
- concrete saw cutting
- installation of new stormwater drainage
- adjustment and connection of utilities
- connection of new communication services
- installation of light poles

Elizabeth Drive and Badgerys Creek Road closure

Work on the Badgerys Creek Road realignment is nearing completion. To complete this work, road closures will be in place from **8pm on Friday, 17 January until 4am on Monday, 20 January**, weather permitting, on the following roads:

- Badgerys Creek Road between Elizabeth Drive and Longleys Road; and
- Elizabeth Drive between Adams Road, and Lawson Road.

If work cannot be completed during this time, the closure will be in place from **8pm on Friday, 31 January until 4am on Monday, 2 February**.

In early January, we will provide a further update on the closure including detour routes.

Following the closure, motorists will be able to use the new Badgerys Creek Road between Elizabeth Drive and Longleys Road. The old Badgerys Creek Road will be used for construction vehicles only.

Traffic changes

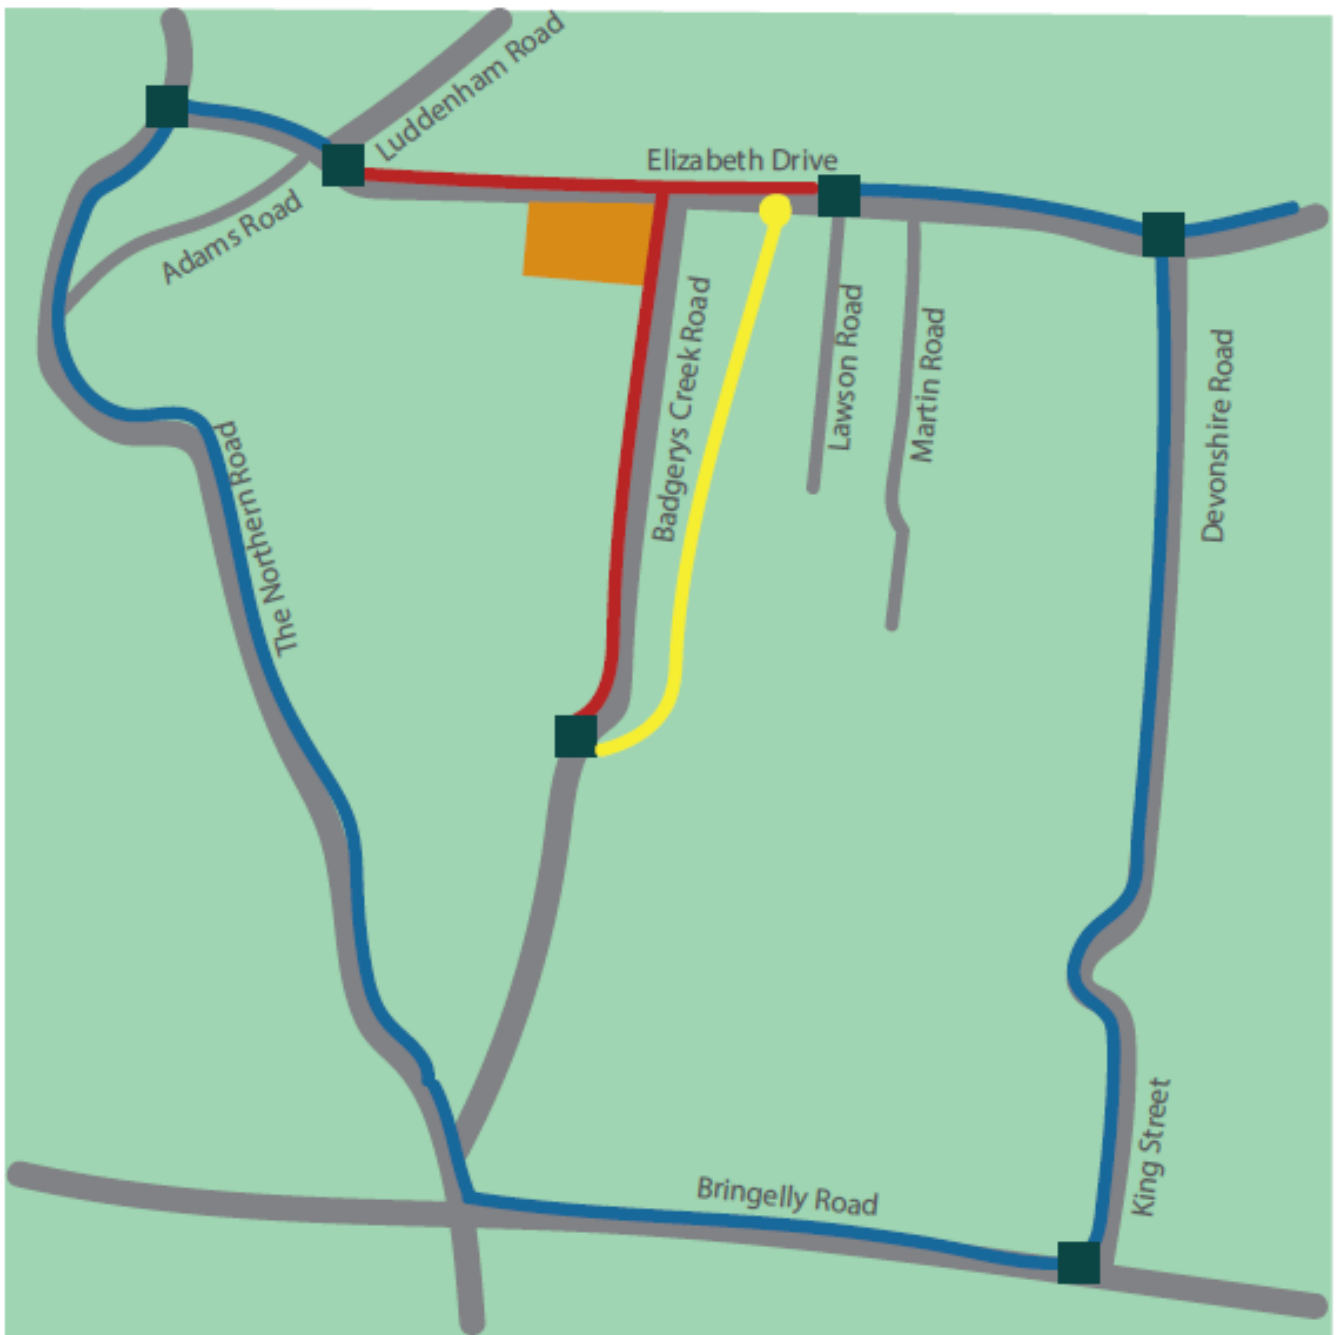

Changed traffic conditions continue to be in place on Badgerys Creek Road and Elizabeth Drive. Please keep to the speed limits, follow the direction of traffic controllers and electronic signs and allow additional travel time. We thank motorists for their patience during this work.

End-of-year shut down

The project will be shut down from Saturday, 21 December to Wednesday, 1 January 2020. Essential utilities works will be carried out from **Thursday 2 January to Sunday 5 January**. These works will not be noisy and there will not be any disruption to services. If you need assistance during this time, please call the Community Line on 1800 951 171.

Street lighting installation on Badgerys Creek Road, November 2019
