Closure of Elizabeth Drive and Badgerys Creek Road, Badgerys Creek

Dear neighbour,

As part of the Early Earthworks for Western Sydney International, construction of the new, realigned section of Badgerys Creek Road between Elizabeth Drive and Longleys Road is continuing, as well as completion of cut and fill works, totaling around 1.8 million cubic metres of earth.

Elizabeth Drive and Badgerys Creek Road

The following road closures will be in place to complete the new alignment of Badgerys Creek Road from **8pm on Friday, 17 January until 4am on Monday, 20 January**:

- Elizabeth Drive will be closed between The Northern Road and Devonshire Road.
- Local access will be available on Elizabeth Drive between The Northern Road and Adams Road, and between Devonshire Road and Lawson Road.
- Badgerys Creek Road will be closed between Elizabeth Drive and The Northern Road.
- Local access will be available on Badgerys Creek Road from The Northern Road to Longleys Road.

If work cannot be completed during this time, the closure will also be in place from **8pm on Friday, 31 January to 4am on Monday, 2 February**.

Traffic changes

During the closure, residents and motorists are advised detours will be in place.

- A detour route will be in place via Devonshire Road, King Street, Bringelly Road and The Northern Road.

- For residents on Badgerys Creek Road, please travel southbound and use The Northern Road to travel north.
- Access will be maintained for emergency services during the road closures.
- Traffic controllers will be in place at Devonshire Road to maintain access to the Kemps Creek shops during business hours and for local residents.
- Traffic controllers will also be at the intersection of The Northern Road and Elizabeth Drive to direct through traffic. Access to Luddenham Road and Adams Road will be maintained.

Please keep to the speed limits, follow the direction of traffic controllers and signs and allow additional travel time. We thank you for your patience during this work. You can visit the Live Traffic website at www.livetraffic.com for the latest travel information.

Once work is complete, the new roundabout on Elizabeth Drive will be operational and motorists are advised to be aware of changed traffic conditions on the new Badgerys Creek Road alignment between Elizabeth Drive and Longleys Road. The existing road will be closed for construction work.

*New Elizabeth Drive Roundabout under construction
December 2019*

- Road network
- Detour route
- Road closure
- Site office
- Traffic control
- Re alignment (work area)
