Early earthworks
February – March 2020

Night work on Elizabeth Drive roundabout, Badgerys Creek

Dear neighbour,

As part of the Early Earthworks for Western Sydney International, construction of the new, realigned section of Badgerys Creek Road between Elizabeth Drive and Longleys Road, as well as the completion of cut and fill works, totaling around 1.8 million cubic metres of earth.

Elizabeth Drive out of hours work

Work is continuing on construction of the eastbound lane of Elizabeth Drive at the new roundabout. Work includes asphaltting, kerbing, lighting installation, line marking and concrete barrier removal.

Asphaltting will be carried out on Elizabeth Drive over two shifts from **8pm to 5am on Thursday 20 and Friday 21 February**, weather permitting. Line marking and concrete barrier removal will also be carried out from 7am to 5pm on Saturday 22 February. Traffic control will be in place and motorists are advised to allow extra travel time and follow the signage.

New alignment for Badgerys Creek Road

On Monday, 3 February, the new alignment of Badgerys Creek Road was opened to traffic. The existing alignment of Badgerys Creek Road between Longleys Road and Elizabeth Drive has been closed for construction vehicle access only.

We thank you for your patience during this work. Please visit the live traffic website at www.livetraffic.com for the latest travel information.

Earthworks

Work will continue throughout February to cut and fill the final 150,000 cubic metres of earth from the old Badgerys Creek Road alignment. Scrapers will be used during this work.
