Work for Western Sydney International, Badgerys Creek

Dear neighbour,

As part of the Early Earthworks for Western Sydney International, finishing works are taking place on the new, realigned section of Badgerys Creek Road between Elizabeth Drive and Longleys Road, as well as the completion of cut and fill works, totaling around 1.8 million cubic metres of earth.

This work includes:

- asphaltting and installation of concrete pavements
- installation of new stormwater drainage
- adjustment and connection of utilities
- connection of new communication services
- landscaping and hydromulching

Badgerys Creek Road

The new alignment of Badgerys Creek Road between Elizabeth Drive and Longleys Road has been opened to traffic. The old Elizabeth Drive and Badgerys Creek Road intersection will be used for construction vehicles only. The new roundabout on Elizabeth Drive is operational and motorists are advised to be aware of changed traffic conditions on the new Badgerys Creek Road alignment between Elizabeth Drive and Longleys Road.

Elizabeth Drive

Pavement activities, drainage and kerb installation will continue along Elizabeth Drive between Badgerys Creek Road and Lawson Road behind concrete barriers.

Upcoming out of hours work

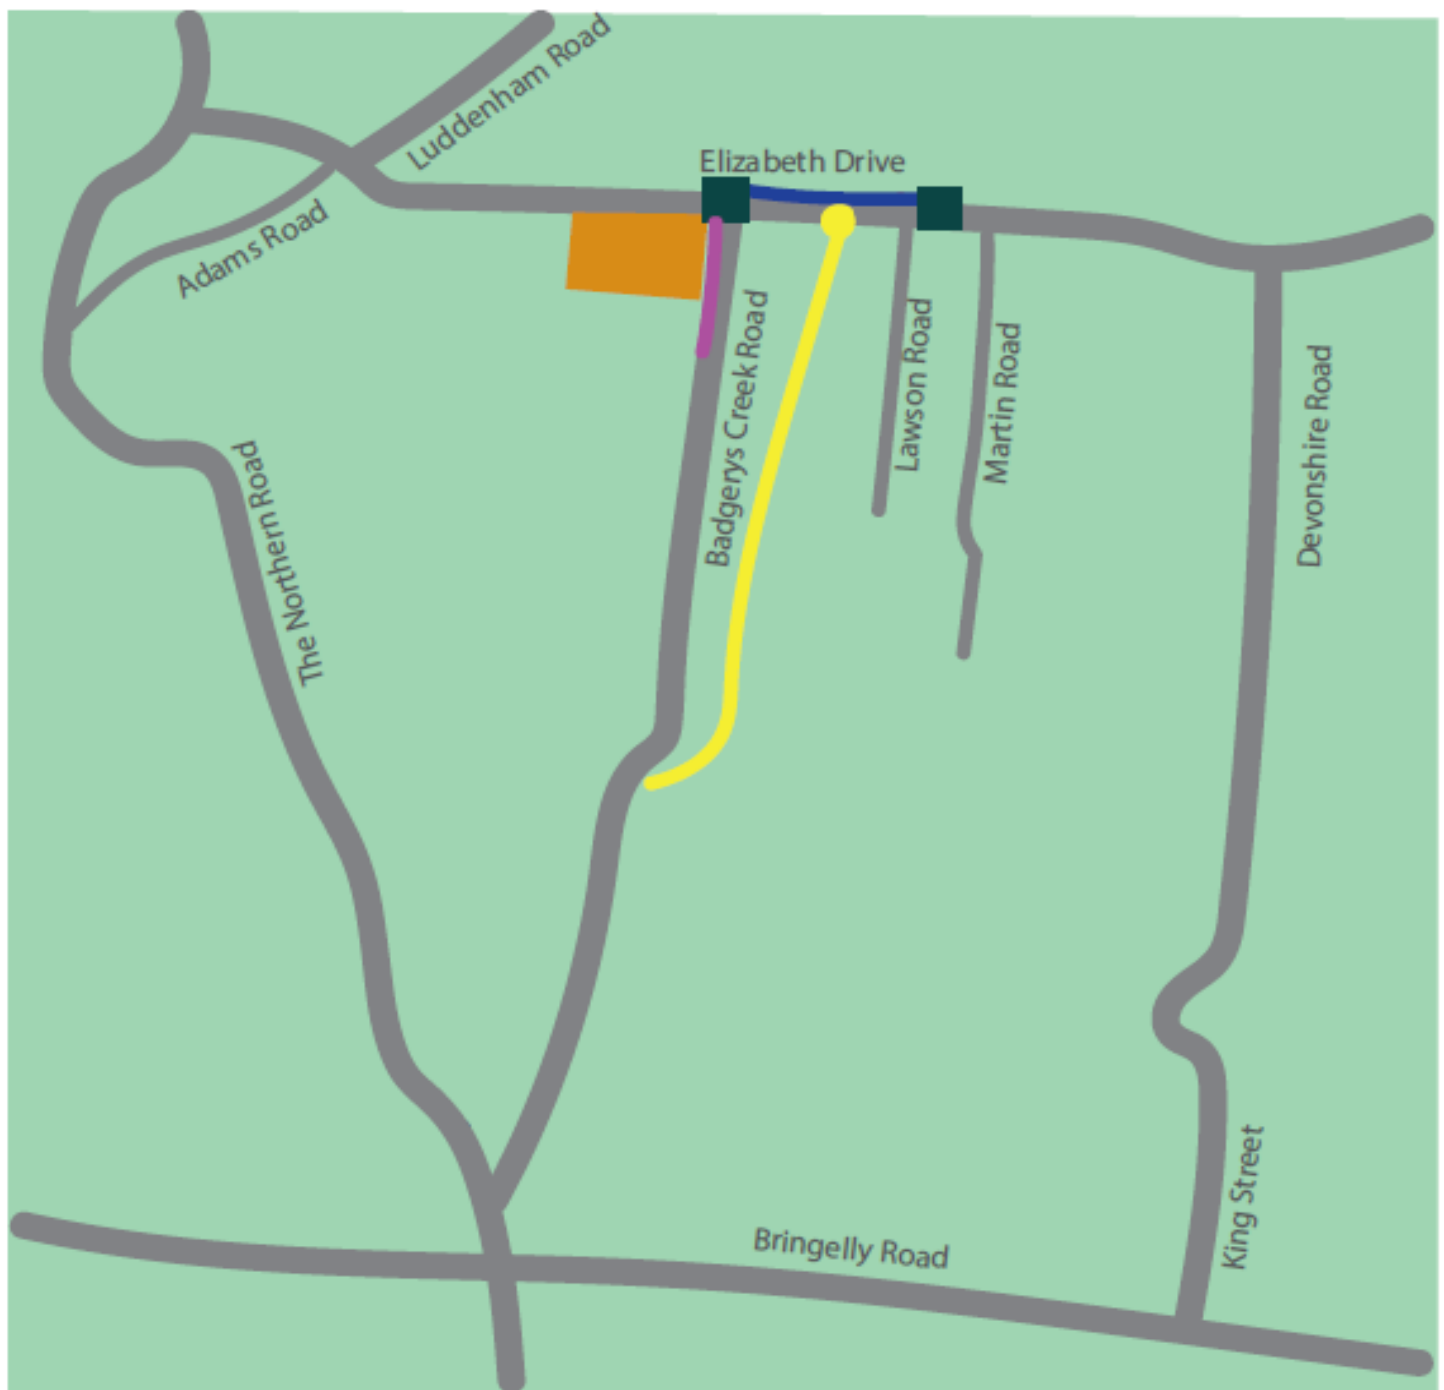

To minimise impacts to motorists, some night work will be required to undertake asphalt works, concrete barrier removal and line marking on Elizabeth Drive. This work will take place from **8pm to 5am over three night shifts between Wednesday, 12 February to Saturday, 15 February**, weather permitting. If work cannot be completed during this time, the works will take place from **8pm to 5am over three night shifts between Monday, 2 March to Thursday, 6 March**, weather permitting.

Traffic changes

Changed traffic conditions continue to be in place on Badgerys Creek Road and Elizabeth Drive. Please keep to the speed limits, follow the direction of traffic controllers and electronic signs and allow additional travel time. We thank motorists for their patience during this work.

Badgerys Creek Road re-alignment and signage

- Road network
- Site office
- Construction vehicle access only
- Traffic control
- New alignment
- Asphaltting and line marking (works area)
