NEW - THE NORTHERN ROAD

Western Sydney International Airport Experience Centre and the Eaton Road Site Office is located at 100 Eaton Road East, Luddenham. The new alignment of The Northern Road is open to the public, and access to the Experience Centre and Site Office is as follows:

Travelling South from Penrith
Turn left at the new intersection and follow the road for 200 metres. Turn right into Eaton Road East and then the driveway is on your left.

Travelling North from Campbelltown
Continue straight through the new traffic light intersection and follow the road for 200 metres. Turn right into Eaton Road East and then the driveway is on your left.

Exiting the Experience Centre or Site Office
Turn right onto Eaton Road East, and then left until you reach the new intersection. You may then turn right into Luddenham to head north, or continue straight to head south towards Narellan.
